

Graham Promoted to Senior Preconstruction Manager at Parrish Construction Group

Georgia firm Parrish Construction Group's preconstruction department gains senior leadership with promotion of Jay Graham to Senior Preconstruction Manager.

Perry, GA (PRWEB) April 24, 2013

Parrish Construction Group announces the promotion of Jay Graham to Senior Preconstruction Manager.

Graham is located in the Perry office and now serves as Senior Preconstruction Manager for the Preconstruction Department of Parrish Construction Group. Responsibilities include process management, estimating, procurement and cost control for new and existing contracts. Current projects include extensive capital improvements for Houston County Schools, HVAC renovations at the LaGrange Campus of West Georgia Technical College and capital improvements to the Elbert County Schools facilities.

A graduate of Southern Polytechnic State University, Graham joined Parrish in 2002 as an assistant superintendent. In 2005, he joined the preconstruction department as a Cost Estimator and has demonstrated exceptional attention to detail, leadership and client service.

"Jay's diligence and commitment client service have proven a great asset to the firm. His knowledge of the trade, industry relationships and eye for detail have led him to excel in his role and he's most deserving of this promotion to Senior Preconstruction Manager," stated Vice President and Director of Preconstruction, Charlie Griffis.

About Parrish Construction Group:

Parrish Construction Group is a mid-sized, full-service contractor with expertise in facility planning, preconstruction, construction management at-risk, general contracting and design build services. The firm specializes in commercial, educational and industrial projects for the public and private sectors. The firm was founded in 1995 and is headquartered in Perry, Georgia with offices in Roswell and Warner Robins. Average firm revenues exceed \$60 million annually.
