School officials will be on hand at [Oconee County High School](#) this evening to discuss with parents and students plans for the first phase of renovations to Warrior Stadium.

Construction is scheduled to take place later this month on facilities that will house the new concession stands and restrooms for both the home side and visitors side of the field.

[Parrish Construction Group](#) was selected earlier this spring to serve as the construction manager at risk for the [\\$900,000 project](#), which will be completed by the end of summer.

Blue prints, floor plans, and a rendering will be on display in the lobby at OCHS from 5-7 p.m. It's an opportunity for the public to drop by, view the plans, and offer feedback or ask questions, Superintendent Dr. Jason Branch said.
